*Raising awareness for foster youth aging out of care*

*Sleep out, so others don't have to.*

I am taking part of a SLEEP OUT challenge, and donating to Lubbock's non profit, Sondra's Song cause. By raising awareness and funds through this challenge, I can give young adults a place to sleep IN, just by taking one night to sleep OUT. I will experience some of the challenges a youth might face as a potential homeless person in our community when they age out of foster care. On that night, I/we ask the Lubbock community and surrounding areas to sleep out. Ask your friends, coworkers, church and family to donate to your participation in the Sleep out Challenge at any levels of giving. No amount is too small (or too large)! This challenge will demonstrate solidarity for these young adults. It also raises awareness and the necessary funds to run daily operations of transitional HOME for youth leaving the foster care system. Call for more information, 806-790-1962

On April 28, 2017, from 11pm-5am @ I will be sleeping outside in an ANNUAL SLEEP OUT CHALLENGE. All proceeds benefit Sondra's Song, a local, tax exempt, non-profit who assist foster youth aging out of the foster care system. Will you help me raise funds for this worth while cause. My goal request would be $5.00 per bed in your household. No donation will be turned away!! We ask you give with a thankful heart! Thank you! Checks can be made to Sondra's Song. (Turn in money the day of event)

LOCATION: 39th and FLINT Ave across from Thrive Church
